

There are 5 Non-Negotiable Intrinsically Evil Issues

Facing Catholics this election:

★ ABORTION ★ CLONING ★ EUTHANSIA ★ SAME SEX MARRIAGE
★ EMBRYONIC STEM CELL RESEARCH

Catholics must not support these in ANY WAY.

“As far as the Catholic Church is concerned, the principal focus of her interventions in the public arena is the protection and promotion of the dignity of the person, and she is consciously drawing attention to principles which are NOT NEGOTIABLE: protection of life in all stages, recognition and promotion of the natural family structure (union of man and woman based on marriage) and protection of rights of parents to educate their children.”

-Pope Benedict XVI, March 2006

“In case of an intrinsically unjust law, such as permitting abortion or euthanasia, it is never licit to obey it, or to ‘take part in a propaganda campaign in favor of such a law, or to VOTE FOR IT.’”

-Pope John Paul II Evangelium Vitae

“We live in a time that calls for sentinels and public witness. Every Christian in every era faces the same task. But you and I are responsible for THIS moment. Today and Now. We need to “speak out”, not only for religious liberty and the ideals of the nation we love, but for the sacredness of life and the dignity of the human person—in other words, for the truth of what it means to be made in the image and likeness of God.

-Archbishop Charles Chaput, July 4, 2012

“Not all moral issues have the same moral weight as abortion and euthanasia... There may be a legitimate diversity of opinion even among Catholics about waging war and applying the death penalty, but not however with regard to abortion and euthanasia.”

-Joseph Cardinal Ratzinger
(Worthiness to Receive Holy Communion, 3)
