A look into the upcoming New Study: "Feminine Genius: Toward A Deeper Theology of Woman" hopes to take you on a journey to a fuller and richer appreciation of who you are as woman, how infinitely loved by God you are, the gifts and talents He has bestowed on you, and the mission He has in mind for you – in short, a discovery of your own moral force, strength, and power as a woman made in the image and likeness of God. The study is primarily based on themes from the groundbreaking Apostolic Letter of Pope St. John Paul II, Mulieris Dignitatem ("On the Dignity and Vocation of Women").**
