In union with the Holy Spirit, Our Blessed Mother opens her loving arms to invite you to be strengthened and formed in her Immaculate Heart, to come to know that 'through His stripes that we are healed.' When we approach the world through the lens of the Pierced Heart of Our Mother, we share in bringing the grace of God to every person and situation in steadfast humility. Mary lived it in real time. It is now our time to follow her example. Join us for this amazing event and learn how!
