Struggling in your daily life? Dealing with problems in your family, workplace, or relationships? Facing a life-changing circumstance or drowning in boredom, dissatisfaction, or interior fatigue? Indeed, life on Earth IS a warfare and a spiritual battle rages all around us. Though the victory has been won through Jesus Christ, the serpent still roams the garden seeking to devour souls. What can we do? How can we experience the liberation that comes through Jesus' salvific act?

During this retreat, you will discover:

- The nature of the battle and how to detect the tactics of the Devil
- How to protect our families from the Devil's strategies
- The remedies Holy Mother Church provides for spiritual problems and how to access them including deliverance and exorcism
- The role the Blessed Mother plays in smiting the head of the Serpent
- How we can be Serpent Smiters through her tutelage
- What equips Catholic women to be a mighty weapon against the powers of darkness
