Women of Grace® Agrees!

*Authentic Femininity™
"...for such a time as this."
(Acts 1:3)*

The Women of Grace® Foundational Study, "Full of Grace: Women and the Abundant Life" is an integral program in the formation of Catholic women in understanding and affirming them in their dignity and vocation as daughters of God and in their gift of authentic femininity. A true theology of women begins here.

Highlighting the Blessed Virgin Mary as their model and guide, study participants are encouraged to accept and develop the gift of their authentic femininity as the means and source through which they can experience happiness and hope, initiate and sustain cultural change, instill true and lasting peace in interpersonal relationships, and promote justice and freedom, truth and love in the world and the culture of the day.

The Women of Grace® Foundational study takes a multi-media approach to dig deeply into Catholic teaching using the study text, "Full of Grace," Sacred Scripture, the Catechism, citations from Vatican II and other Magisterial documents, and the biographies of 16 Catholic women saints.

As participants learn the great gift of authentic femininity and how to live it out in our world today, hearts are healed, lives are changed and souls are saved. Women of Grace facilitators have the blessed privilege of witnessing the magnificent movement of the Holy Spirit in the lives of the women who attend - and experience His dynamic power and grace in their own lives as well.
