## Morning of Grace™

### Theme:

By entering “The School of Mary” and asking for the tutelage (guidance and protection) of Our Lady, I can make great progress in acquiring the virtues she emulated so perfectly.

### Grace:

I pray for the grace of self-denial that marks the Marian virtues and to grow in imitation of the Blessed Virgin Mary, the superlative Women of Grace.

**Opening Song: Women of Grace**

We are Women of Grace 'round the throne of the Lord most high. And we lift our praise from the depths of our souls hear our cry.

Oh Lamb of God,  
It is our one desire  
To seek your holy face,  
To be Women of Grace

We'll shout with joy from the mountain top,  
As we enter your courts with praise;  
All that we do Lord, We offer to you, Lord  
Oh hear us as we pray

**Opening Prayer:** 5th Luminous Mystery, The Eucharist. Mary Our Blessed Mother, loves each of God's children as her own. As we reflect on this decade, we pray for the manifestation of physical, mental, and spiritual healing of all God's children through the Sacrament of the Eucharist.

**Teaching:** DVD/Video "The Eucharist... A Way of Life. 5th Episode of 5, #10375

**Guest Speaker:**

**Prayer for Ourselves and Speaker:**

Come, Holy Spirit, fill the hearts of Thy faithful, and enkindle in them the fire of Thy love. Send forth Thy Spirit and they shall be created. And Thou shalt renew the face of the earth.  
Amen.

**Reflection Questions:**

1. St. Paul tells us in Galatians 2:19, "...it is no longer I who live, but Christ who lives in me... Mary perfectly emulated this from the moment of her Annunciation to the Cross. As I enter "The School of Mary," what attachments do I need to leave behind? What new virtues can I begin to practice to be filled more with the things of God? What new devotions can I develop to cultivate a deeper love for God?
2. The Blessed Virgin Mary made Jesus Christ manifest to St. Elizabeth and St. John the Baptist. Share some specific ways that I too can make Jesus present in my family, my workplace, and my community.
